RJL Insurance has provided insurance for our company for 11 years. Their commitment to understanding our business insurance needs is exceptional. They seem to understand the construction and concrete industry and continually provide us the daily service we expect from an insurance company. Rob Ludwig has become a reliable and trusted friend. He is always there to answer all our business questions. His staff responds to our requests in a professional and timely manner.

I would recommend the services of RJL Insurance Group for your insurance needs. We look forward to working with Rob and his staff in the future.

Sincerely,

A handwritten signature in cursive script that reads "Kathy Klosterman".
